

BIODIVERSITY: SITES WHERE VOLUNTARY MEASURES ARE IN PLACE - 2017 status

Site	Type	Zoning plan	Biodiversity inventory done	Year of inventory	Nature of mandatory remedies if any	Voluntary measures
Ringvaart	Thermal	Industrial zone	yes	1994	10 meter wide green buffer in first permit, valid until 2014	Green buffer left in place + 2 beehives as of 2014
Ham	Thermal	Industrial zone	no	NA	none	None at this point (very little space available)
Izegem	Thermal	Industrial zone	no	NA	none	NA
Harelbeke	NA (closed)	NA (closed)	no	NA	none	NA
Seraing	Thermal	Industrial zone	yes	1990	none	Area of 5000 m ² reserved for late mowing between 1999 and 2009 -- 3700 m ² since 2009 + 3 beehives between 2014 and 2017 / 2 beehives as of May 2017
Angleur	Thermal	Urban zone	no	NA	none	Pilot site: 344m ² of wildflower meadow + 25m berry hedge since 2014
Floriffoux	Hydro	Industrial zone	no (NA)	NA	none	4 beehives 2014-2017, 3 beehives as of May 2017
Grands Malades	Hydro	Industrial zone	no (NA)	NA	none	3 beehives 2014-2017, 3 beehives as of May 2017
Andenne	Hydro	Urban zone	no (NA)	NA	none	No space available.
Ampsin	Hydro	Industrial zone	no (NA)	NA	none	No space available.
Ivoz Ramet	Hydro	Industrial zone	no (NA)	NA	none	No space available.
Monsin	Hydro	Industrial zone	no (NA)	NA	none	No space available.
Lixhe	Hydro	Industrial zone	no (NA)	NA	none	A bush apple tree, a berry hedge and a wildflower meadow were planted in 2016.
Berloz 2	Windmills	Agricultural zone	yes	2009-2011	none	Partnership with the municipality of Geer: transformation of settling tanks into ponds to increase biodiversity + educational tourism

NB: All hydro sites are below threshold for biodiversity inventories.
